LARGER SPACE OPTIONS

For larger spaces, these equipment packages are intended to be used as building blocks.

Multiple spaces can be combined to form a larger space that provides several training options to meet multiple training needs.

Each space is intended to accommodate up to 12 exercisers for small group training.

COMBINED SPACES: COMPETE AND EVOLVE. 1400 Sq. Ft. // 130 sq. m.

LFX EDUCATION

- + 8-hour on-site course
- + Provides **CECs**
- + Hands-on and focused on teaching participants **how to deliver SGT programming**
- + Course specific to each SGT equipment package
- + **Supporting materials:** training manuals, presentation and programming

SGT PROGRAMMING

LFX Packages come with fitness programming designed by the Life Fitness Academy.

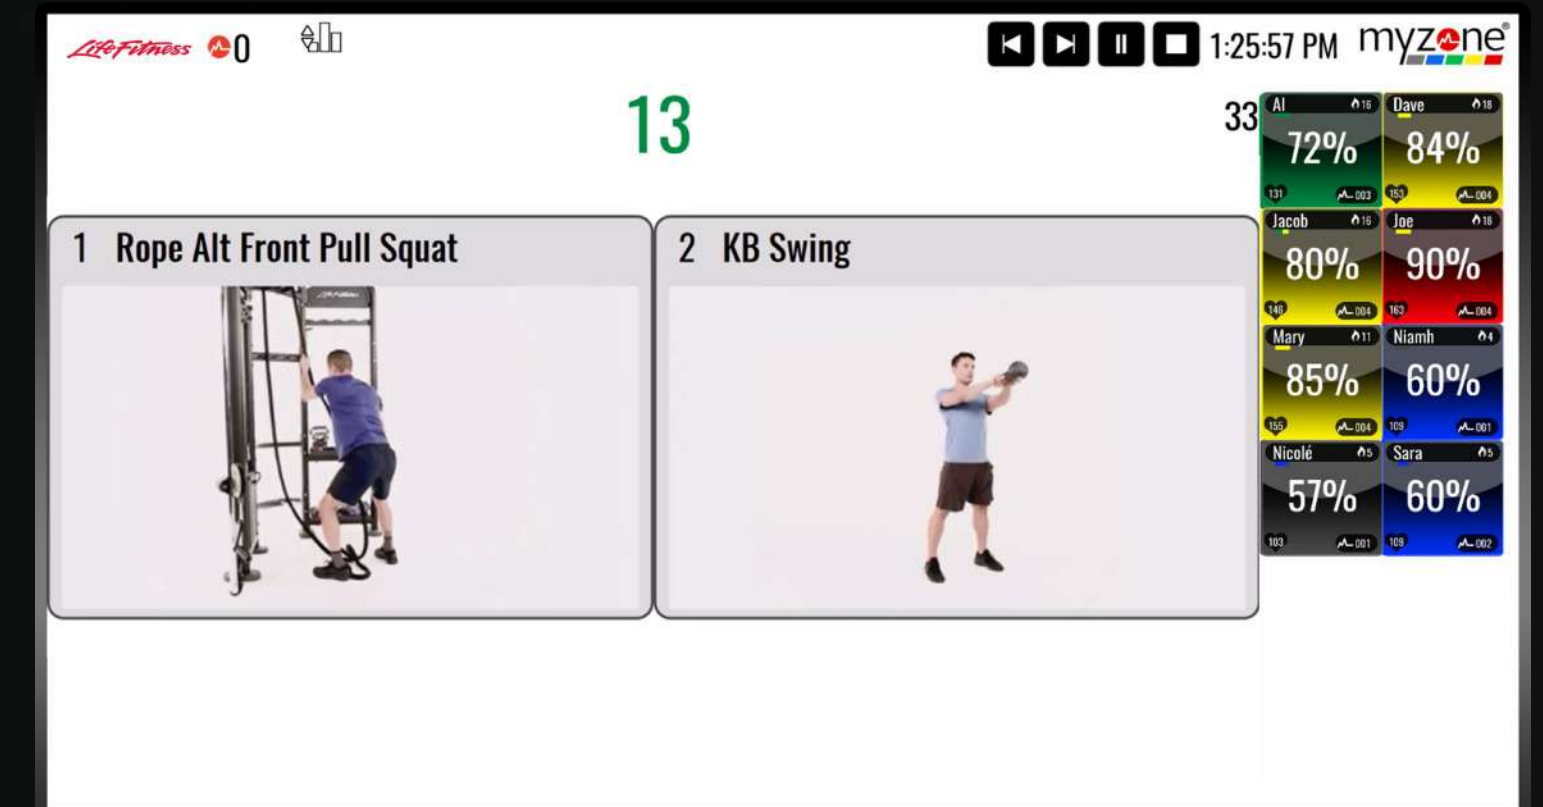

- + 36 unique SGT workouts per space.
- + Optimized for 12 participants working in 3 groups of 4 exercisers.
- + Tabata method: 40" work, 20" rest. 4 exercises per station. (3 stations in total)
- + Programming is specific to each equipment package.
- + Delivered via digital tool.

LFX x myzone®

Bringing a new dynamic to your class and space by providing:

- Clear exercise visuals
- Live HR monitoring to every member via on-screen personal tiles.
- An extended library of exercise using Life Fitness equipment.

Member tiles show them how hard they're working, and calories burned. This clear exercise and effort instruction allows the instructor to focus on form and participant motivation.

MyZone MZ Instruct

LFX x BOTIQ

Create a fully immersive functional training experience with:

- Clear exercise videos
- Class guidance, from welcome to cool down.
- Live HR monitoring (Myzone and ANT+ compatible)
- Synchronized music and lights for each workout phase.

Turn LFX workouts into complete immersive experiences, allowing trainers to focus on the members and keeping members engaged through tracking and gamification
