MAKING FUNCTIONAL MARKINGS INTERACTIVE

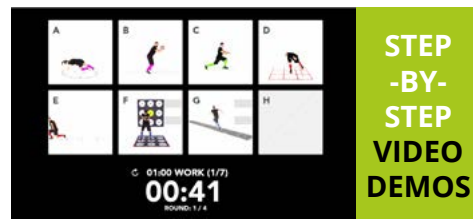

PRAMA SOFTWARE

PRAMA SOFTWARE is the best way to introduce technology into your club experience that both motivates and attracts new users to your trainings.

It's as easy as logging in, selecting your exercise, selecting your targets, WORKING OUT, and viewing your results. It can be used with all of our stations whether LED controlled or regular floor markings. Now your whole PRAMA becomes interactive!

6 WORKOUT MODES

STEP-BY-STEP VIDEO DEMOS

PRAMA CLOUD

PRAMA SOFTWARE comes accompanied by the PRAMA CLOUD where users, trainers and clubs around the world will be connected in a virtual FITNESS COMMUNITY, being able to consult their performance data and share it on social networks.

SHARE YOUR PROGRESS!
